SCHOOL REPORT

To the Superintending School Committee and the
Citizens of Winter Harbor:

The financial report which follows is an abbreviated summary of the various transactions which may be found posted in detail in the books of the Selectmen, according to the different departments listed under the school account. The indicated net balance for the present fiscal year is \$524.33. This was in part made possible by the elimination in September of a teaching position at the high school, due to the decrease in enrollment occasioned by the flow of local workers and their families to the defense centers for war employment.

The recommended budget for 1943-1944 will approximate that of the past year in spite of the reduction in personnel. This is due to the expected drop in tuition income and the expected increase in the cost of fuel, supplies and equipment. The present salary schedule at both schools is expected to remain in force.

Attention is herewith directed to the resignation on December 18th of Virginia Yeaton Strout, for several years a highly successful teacher in the local grades. She will be missed in the years ahead. We were most fortunate in being able to secure as a replacement Amy Hallowell, well known former teacher, who, it is expected, will carry on for the duration. Principal Reginald Cough of the High School resigned on January 8th and was succeeded by Farrell Ingalls, well considered throughout the state as a school administrator and coach.

The school lunch program which was terminated on January 26th because of the loss of the WPA subsidy will be missed by the scores of youngsters who enjoyed the piping hot noon dish so ably prepared and served by Miss Joy and Mrs. Gerrish.

The continued interest in school affairs on the part of parents and citizens is solicited in the name of the boys and girls who look to you for leadership and inspiration.

Respectfully submitted,

R. H. HASKINS,

Superintendent of Schools

REPORT OF NURSING SERVICE

To the Citizens and Town Officers of Winter Harbor, I submit the report of Nursing Service given your Town beginning January 1, 1942, and ending December 31, 1942.

In January the annual winter weighing of 69 grade pupils was completed. At this time the Seven Point program was discussed with the teachers and pupils. The children were advised as to what corrections were necessary for them to receive the Seven Point award.

Owing to transportation, field day was not held this year. With money from the field day fund pictures of the Seven Point children were taken by the nurse, enlarged, framed, and each room presented with their group.

The Early Diagnosis Campaign and Cancer Prevention were conducted as usual with distribution of over 1,000 pamphlets on both subjects. A set of the Early Diagnosis Campaign material was sent to each home represented at school. A window display was set up at the Defense Center on the main street, and the high school entered the Essay Contest for high schools of the State conducted by the Maine Public Health Association. Grenfall Bickford, a Winter Harbor boy, won honorable mention. Two moving pictures on Tuberculosis were shown at the high school, the grade pupils going over to see them.

Vaccination, diphtheria immunization, and Schick testing were offered as a part of the school program this year (the town caring for the expense). Vaccinated, 8 (most of the pupils have already been vaccinated); Schick tested, 48; diphtheria immunizations, 30. High school pupils, both boys and girls, taking part in any athletics received a heart examination by Dr. Allan Holt before being assigned to the teams. Twenty-five were examined. All pupils in the school wrote an essay on communicable diseases and received credit for them.

At the high school, pupil and nurse conferences were completed, with the entering class. All pupils were given vision and hearing tests.

The Service had 177 Seven Point children this year. It was nine less than last year, but with 29 less children we feel we are still

gaining as in former years. Of this number, Winter Harbor had 46 Seven Point children. Of our 14 rooms, eight were 50% Seven Point and three 100% Seven Point. Winter Harbor's three rooms were 50%.

The annual infant and preschool clinic was conducted on July 23 by Dr. Mary Allison from Grindstone Inn, assisted by the nurse, and 29 were examined. Helpful advice was given each mother.

At the opening of school, routine skin inspection was completed during the first week of school at the grade building. Sanitary inspection of school buildings and playground equipment was done at the same time. Annual school inspection was completed in the grades during September. Notices of symptoms of defects were sent parents or a home visit made. A full report was left with each teacher and the Superintendent of Schools. Routine school room visits have been made to help with health problems whenever needed. Report of inspection is as follows:

Number inspected	69
Number with defective vision	1
Number with defective glands	2
Number with defective throats	5
Number with defective teeth	35

Corrections made were:

Hearing	2
Vision	1
Throat	1
Teeth	19

The children are enjoying hot lunches served at the I. O. O. F. Hall and had the penny milk as long as it was delivered in town.

Homes visited during the year number 413. Visits of instruction and investigation were made on prenatal patients, babies, preschool children, school children, tuberculosis patients, contacts, and other types of communicable diseases. Many home visits have been made for bedside care. Home supervision of tuberculosis patients and contacts, and chest X-rays as recommended by the clinic doctor have been provided. Attended delivery, after care for mother and baby given.

Transportation has been furnished 18 children and nine adults to doctors, dentist, oculist, and check clinics.

In closing this brief report, may I extend thanks to all who in any way have helped with the success of the Nursing Service and for the very fine cooperation of Dr. Holt, Selectmen, members of the School Board, Superintendent of Schools, and teachers and parents.

Respectfully submitted,

Flanders Bay Nursing Service

FIRE DEPARTMENT

To the citizens of Winter Harbor I hereby submit a Report of the Winter Harbor Fire Department for the year 1942. With so many boys in the service the Winter Harbor Fire Department has a very small membership at the present time.

The members have been holding a series of dances and from the proceeds have purchased a \$100.00 War Bond. They have also installed celotex walls and ceilings and a new hardwood floor in the engine house, also purchased coats and boots for the members.

During the past year the department has attended the following fires:—

Chimney fires, Winter Harbor	22
House fires, Winter Harbor	1
Chimney fires, Gouldsboro	2
House fires, Gouldsboro	1

Respectfully submitted,

F. P. HARRINGTON,

Chief.

REPORT OF AUDIT

Milbridge, Maine
February 18, 1943..

Board of Selectmen,
Winter Harbor, Maine.
Gentlemen:

This is to certify that I have examined the accounts of the Selectmen for the municipal year ending the first Monday in February, 1943 and to the best of my knowledge and belief the accounts as shown by the records are correct.

The warrants authorized for payment were checked and as far as could be determined all entries on the books of the Selectmen were properly substantiated by subsidiary records on file.

Upon completion of the examination of the other officers a complete report of audit will be forwarded to you.

Respectfully submitted,

A. F. SAWYER,
Auditor
